

ANNUAL REPORT-TCC YEAR ENDING DECEMBER 31, 2018

SUPPORT

We are proud to partner with many groups that share our vision. Some of these organizations are (but not limited to): Appalachia Community Cancer Network, The James – The Ohio State University Wexner Medical Center, Mount Carmel Nursing Program, and Otterbein University.

MISSION

Our goal, simply, is to raise money and pour it into patient assistance, education, research, school and community outreach programs for cervical cancer, and other gynecological cancers.

SUMMARY OF PROGRAM ACCOMPLISHMENTS

Overall fundraising revenue increased 51% primarily due to increased attendance and individual gifts contributed at the 2018 Annual Raise A Racket event. TCC participated in an inaugural HPV Summit in collaboration with Mount Carmel and the American Cancer Society - Ohio. TCC awarded funding to a local Obstetrics and Gynecology Fellow to present research on the staging of cervical cancer at a National Conference.
