The **5K + KIDS DASH** was established to raise awareness of the 6 HPV-related cancers while spending time exercising and raising money with family and friends. The money we raise together will support our community programs.

Raising awareness is critical to saving lives. About 46,143 HPV-related cancers occur in the U.S. each year: 25,719 among women, and 20,424 among men.

The HPV-related cancers can be prevented with education, screenings, annual exams, and the HPV vaccine!
