

JUNIOR AMBASSADOR PROGRAM

The Crawford Crew brings together a group of diverse, fun, passionate, and ambitious middle school through college-aged individuals with the common goal of making a difference in their community. Junior Ambassadors volunteer their time, energy, and resources to help support The Crawford Crew events and initiatives. Being a member of the Junior Ambassador program with TCC is a unique opportunity to see first-hand how a grassroots nonprofit functions, from understanding more about the larger world around you to learning how to fundraise, all while working alongside like-minded peers.

Responsibilities of our Junior Ambassadors include:

- Know and support our mission: Fundraising, Education, and Community assistance programs related to HPV-related cancer awareness.
- Attend a meeting once or twice a year.
- Use social media to promote/share The Crawford Crew events, HPV vaccine information, HPV-related cancer awareness information and fundraising efforts of The Crawford Crew.
- Volunteer at The Crawford Crew events.
- Be a campus and community ambassador for education about HPV-related cancer. Speak up. Volunteer. Serve on a student panel. Wear The Crawford Crew apparel to school. Talk about our mission.
- Share your talents. How can you help make a difference? Examples: artists, public speaking, writing, organizing, fundraising, etc.
